WHY DON'T YOU TRADE PLACES WITH MY BRIGIT...

YOU WERE REALLY CUTE THIS MORNING.

ドス

IN SHORT, IT'S YOUR FAN CLUB, ASH.

SKFC...

"SILVER KNIGHT" FAN CLUB?

EH?!

...the hero who protected the city from the threat called Necromancer

According to witnesses, he wore a silver holy armor.

If it wasn't for his help, the city would have suffered great damages. Actually, even the city of Ansarivan itself may have been destroyed.

However, even though he performed such a great service, his identity is still unknown. Since he wore a holy armor, it is a fact he must be an arch-dragonar.

Without boasting about his military exploits, or even receiving the benefits of his actions. What a humble person! The term "knight amongst knights" definitely refers to people like him.

For those reasons, we have decided to temporarily call him "Silver Knight".

We hereby declare the creation of the DKFC (Silver Knight Fan Club)!

IT WAS A LOT OF TROUBLE TO TAKE THEM ALL DOWN.

*TL/N: Don't ask me why the heck it says DKFC instead of SKFC... probably a typo, since D and S are next to each other and the text bubble does say SKFC. P.S. Some of the poster is missing, covered by the bubbles.

ISN'T "SILVER KNIGHT" TOO MUCH?

IT'S TRUE THAT THE HOLY ARMOR EIKO CREATED WAS SILVER, BUT...

THAT YOU WERE THE ONE WHO STOPPED THE NECROMANCER SECRET.

BE QUIET!

THE ACADEMY IS KEEPING THE INFORMATION,

SORRY FOR INTERRUPTING!!!

THE REASON IS...

UNFORTUNATELY, THE ACADEMY WON'T ALLOW THAT.

WELL, WITHOUT A DOUBT, YOU'LL BECOME POPULAR.

I WON'T ALLOW IT

IF THIS IS FOUND OUT, WOULD IT REALLY BE TROUBLESOME?
